- Mental Health Therapist - Active listening, effective communication, conflict resolution
- Raising a tiny human - Multitasking, time management, creative problem solving, attention to detail

"Peters has assembled some of the strongest dancers I've seen in musical theater around here, including a trio of elegant beauties - Tracey Dennig, Chelsea Hester, and Danielle Scheib - who front many of the numbers. The choreography is slick and clever, and everyone's dancing is tight, tight, tight - no small feat when the moves are difficult, the action continuous, and the stage full of moving bodies."

-Review of Joseph and the Amazing Technicolor Dreamcoat in Denver's Westword News
